

Dear contributor to GFNC publications

The GFNC wishes to ensure that the work of contributors is properly acknowledged and protected by copyright. We would also like to resolve some problems that have occurred when we wish to re-print work or publish it on another platform (such as the GFNC webpage) or republish the work after the death of the original author.

By completing the attached copyright declaration form, you agree to allow the GFNC to use your work in perpetuity, but you still retain the copyright. That is, you remain free to republish the work yourself, use it for commercial purposes, etc.

A signed declaration will allow the GFNC to republish your work on any of the current or future publication platforms (e.g. the *Geelong Naturalist*, *Geelong Bird Report*, the GFNC webpage etc). The GFNC will properly acknowledge your work and our publications will note that any quoting or use of your work should be attributed to you.

To return the form, you can:

Print it out, complete it and post to The Secretary, P.O. Box 1047 Geelong Vic 3220;

or

Print it out, sign and scan a copy, and email it to info@gfnc.org.au;

or

Fill in the form using an electronic signature, save as a PDF file and email to info@gfnc.org.au;

Also attached is a document providing more background on copyright with regard to GFNC publications.

If you have any comments or questions please contact the Club: info@gfnc.org.au;
